Tucson Disc Golf Association Inc.

Sponsorship for the 25th Annual Tucson Ice Bowl Disc Golf Tournament, benefiting the Community Food Bank of Southern Arizona

The Tucson Disc Golf Association is seeking sponsors for the **25th Annual Tucson Ice Bowl**, part of the national Ice Bowl® series of winter disc golf events that are held each year from December through mid-March, with an overall mission of raising funds to fight hunger. For more information, visit <http://icebowlhq.com/>

In 2019, the **24th Tucson Ice Bowl** raised \$2,800 for the Community Food Bank, bringing the total raised by the local club to more than \$20,000 since 1995.

The **25th Annual Tucson Ice Bowl** will be played at a special desert course at **Fred Enke Golf Course on Sunday, March 15, 2020** when we hope to draw up to 90 players. Our goal this year is to raise \$3,000 and 400 pounds of canned food. We raise Ice Bowl funds through player entry fees, sale of mulligans,

sales of raffle tickets, teepad sign sponsorships and individual and corporate donations. **100% percent of net proceeds goes to the Food Bank** (and we keep expenses to a bare minimum with in-kind donations).

We are asking local businesses to support the Ice Bowl with cash sponsorships and/or donations of items such as merchandise and gift certificates for use in tournament fundraising (prizes, raffles, etc. that help drive event revenue).

We'll get your brand out in the community, as we partner to help the Food Bank feed the hungry.

Note: Though the TDGA is a charitable Arizona non-profit corporation, it is not a 501C(3) organization. Sponsors wishing to claim a tax deduction may make out checks directly to the Community Food Bank in the tournament's name, we will deliver your check and you will receive acknowledgement from the Food Bank.
